

PLACEMENT FEE

2018

Grade N to Grade 12

The Bishops Council requires a placement fee from all entrants into the school. The fee for entry into Grades N to 12 during the year 2018 is R23 500.

This placement fee is **non-refundable**.

Payment of the fee is an essential requirement for admission, and the fee must be submitted with the signed "Acceptance of Place" form. **Forms which are not accompanied by the fee will not be processed**, which may jeopardise the enrolment of your son into the school.

The fee will be forfeited if a place has been accepted, and the parent withdraws the pupil before he has taken up his place at the school.

Please be advised that where a parent resides **outside** the borders of South Africa, then in addition to the non-refundable placement fee of R23 500, a further **refundable** boarding deposit of R23 500 at the College and R18 000 at the Prep (approximately equivalent to one term's boarding fee) is also payable as part of the admission requirements.

The placement fee for Grades N to 2 (at the Pre-Prep school) will be payable over the first 2 years in equal instalments, which amount to R11 750 per year.

Special academic and placement fee provisions apply for entry into Grade 11. Please contact our admissions department for further details.

Please note that the fee is payable only when a place is offered to your son in writing, and not on application.

Yours sincerely
