

BISHOPS

SWIMMING POOL TAG ISSUE FORM

Responsibilities attached to receiving and/or using a tag:

I will ensure that:

- I open the pool gate;
- I remain with, and monitor, the group that I am responsible for whilst the pool activity is underway i.e. no unsupervised activity;
- I leave the pool area with the group that I am responsible for;
- no unsupervised persons are left behind in the pool area;
- if children/pupils/persons needing supervision are left behind in the swimming pool area when I leave I will hand over the responsibility of overseeing these to another adult in the swimming pool area;
- the pool gate is closed when I leave the pool area unless there is another responsible adult in the pool area
- if I am the responsible adult for the last group leaving the pool area I **WILL** close the gate;
- I apply the same opening and closing responsibilities if a change-room is used as the access route;
- I only lend my tag to another responsible person who has signed a “swimming pool tag issue form”. E.g. a housemaster may lend his tag to a stooge who also needs to have signed this form;
- I have received a copy of the ‘Swimming pool policy’ document and have read and understood it.
