

Dear Bishops Community

Since re-launching the MySchool Card initiative the response has been very positive, and many members of the Bishops community have, either applied for a new card, or have started using their old ones again.

Our thanks to those who have taken up the challenge of 'Every Swipe Counts'!

As this is a painless way to fundraise, we again appeal to you to please apply for your MySchool card and use it as much as possible at any Woolworths or partner store. Regular feedback on the progress of this initiative will be made available.

The funds raised from this project will be used to upgrade the present libraries, which are used by all the Bishops boys from Pre Prep to College. Our aim is to change these facilities into 21<sup>st</sup> Century Resource Centres which will equip our boys with the skills needed for the future! The Molteno Library at College was upgraded and re-opened in 2014 and is a testament to this vision. In 2017 the focus will be on the Pre Prep and Prep Library.

So all that is left for you to do is apply for your card and use it!

Please find the MySchool Application Form attached. Completed forms may be sent to [marketing@bishops.org.za](mailto:marketing@bishops.org.za) alternatively you may call 0860 100 445 or visit [www.myschool.co.za](http://www.myschool.co.za)

Kind regards
