Later in the year he participated in two major piano competitions: the Pieter Kooij and Johan Vos Piano Competitions - winning both of these – an extraordinary achievement.

### **Attending clubs and societies**

## Appointment of Captains for 2015

Congratulations to the following:

James Wilson selected as Captain of Canoeing; Mike Alberts selected as vice-captain and Liam Neill as captain of Waterpolo and Keanan Alexander selected as Captain of Swimming.

## Fly Fishing

Congratulations to Alessandro Lupini, Luke Baker, Nikolai Piotrowski and Warwick Reid who have all been selected to represent South Africa at the World Fly Fishing Championships in Vail, USA, in August this year.

## 1st XI Cricket

The 1st XI hosted two English schools, Harrow and Shrewsbury, during the December holiday and then also took part in an Independent Schools' festival hosted by Michaelhouse in the week before term. While the results at the festival were disappointing - losing two of the three games – in fact we played some good cricket and gained useful experience for the forthcoming season. We got into winning positions against Maritzberg College, Kearsney and Michaelhouse but were unable to capitalise on those good positions. In one game a massive hail storm ended the game – depriving us of victory - while in the others we simply failed to bowl sides out having had them in serious trouble. The detailed results of all six matches played by the 1st XI in the Dec/Jan holidays can be found on the intranet.

The 1st XI started this term against Paarl Gym on the Frank Reid on Saturday. Reece Conrad excelled in scoring a fantastic 126.

## Indoor Hockey

The National Indoor PSI Nolands Tournament was held in CT in December. This was the first year that the tournament has been officially recognised by SA Hockey and SA National sides were selected from the tournament in the u18 and u16 age groups from the tournament and announced at the final prize giving. The tournament was the biggest ever with 1,400 boys and girls taking part over 144 games spread across the peninsula. A number of Bishops players competed in Western Province sides.

Bishops Hockey would like to congratulate: Justin Nel, who was selected for the U18 SA National team and Dayaan Cassiem and Wesley Gardener who were selected for the U16 SA National team. Very well done.

## **Kite Boarding**

Carl Ferreira is to be congratulated on some outstanding results achieved these past holidays with Kite Boarding. He competed in the National Championships and came third overall amongst the South African competitors and sixth when ranked against those who came in from overseas. A solid placing in the next round of kiting will hopefully result in him earning his SA Colours.

## **Sailing**

One of our Grade 8's, Xander Brooks, is to be congratulated on winning the Optimist National Championships which were held this past holiday. As a result of this he has also been selected to sail for South Africa in Poland in August - this is the second time he has represented his country in sailing.
