### **Athletics - Heats Week trophy**

This year will go down as a very unique year. Not only was there a tie for first place for the much-coveted Sports Day trophy, but another very unique surprise will be evident in a few moments when the Heats Week trophy is handed over. Following a dedicated effort from matric leaders, who had to continuously adjust entries for Heats Week as illness and injury affected athletes, here are the positions for the Heats Week trophy:

8th - School; 7th - Kidd; 6th – White; 5th – Gray; Tied for 3rd - Ogilvie and Mallett;  
Tied for 1st - Birt and Founders.

Please would the captains for Birt and Founders please come forward to receive the Heats Week trophy.

### **Cricket Festival**

#### **Wynberg Boys 175th Anniversary 6-a-side Cricket Festival**

In a memorable day for all who were lucky enough to be at PPC Newlands Stadium on Sunday, January 31st, Bishops won the WBHS 175th anniversary six-a-side cricket festival.

Having won their two preliminary matches against RBHS and then Paul Roos earlier in the day the Bishops team played in the final against hosts WBHS. After a thrilling match Bishops

triumphed by 23 runs to win the gold medals.

There were some exceptional performances from our boys as well as from the two ODs who made up the squad of eight players. It was a real privilege for the boys to run out at Newlands and they performed exceptionally well. We are also grateful to the two ODs for playing.

Here are the details:

Bishops team: Richard Baikoff, Jono Bird, Matt du Plessis, Aydan Labuschagne, Richard Schwultz, Calven Wilson + ODs James Crowson & Imraan Hendricks.

Match 1: Bishops 102/3 (Crowson 46\*, Bird 44), RBHS 72.

Match 2: Paul Roos 89/2, Bishops 90/4 (Crowson 39\*, Schwulst 31\* including a six to win it off the final ball!).

Final: Bishops 93 (Crowson 38\*, Bird 33\*), WBHS 70.

## **Rowing**

A number of Rowing Regattas have taken place over the last few weeks. All crews have done really well. However, special mention needs to be made of some of the junior crews in this assembly.

Congratulations to the 15B Oct who came 2nd at the VLC Rowing Regatta in Johannesburg and received medals: Rhys Williams, Matthew Davies, Mikhail Lovric, Kyle Deans, Francois Breytenbach, Luke Flint, Jack Rowand, Harry Sandel and Yussuf Hassen.

In the 15A division, Nicholas McAdam won his sculling event and received a medal. This is a very fine achievement as he was rowing at altitude against Gauteng teams.

The 15A Oct won their race in style and received medals. They are: Dominic Beaumont, Nicholas McAdam, Shaun O'Brien, Jack Hampshire, Simon Craig, Ben Cragg, Tristan Lee, Drew Burton and Duncan Edelstein.

Congratulations to all these boys and their coaches. Good luck for the rest of the season.
