Debating School Rankings

Debating is the oldest society at Bishops being established in 1886. We are also the largest group of debaters at ANY SA school with about 70 boys, two coaches, training 4x a week and various external leagues, including Rotary, Model UN and British Parliamentary (with UCT) in addition to social debates and an internal league. Annually we produce both provincial and, in the last 5 years, 5 top ranking SA national debaters. We host the most important event on the Western Cape debating calendar – the Provincial championships which takes place THIS weekend. It is fitting, then, that we recognise the achievement of some of our senior debaters who, last year ranked with scores above 80 through two terms of internal league debates.

Could the following please come forward to receive their hard earned debating ties:
Paul-Henri Daron, Nick Hyslop, Daniel Mesham, Rahul Naidoo, Nikhal Narismulu, Stefan Ranoszek, Muhammed Razzak, Tariq Salie and Jeremy Wilkinson.

Audiovisual

For services to the Audiovisual department over the past two and a half years, Chris Viljoen has been awarded his service tie.
