

## **Epic Attendance Policy**

The Epic is part of the grade 10 Curriculum and as such every grade 10 is expected to attend.

The only exceptions are as follows:

- Boys who are on exchange organised by the school.
- Boys who are unable to attend for reasons that are out of their control such as a serious medical condition.

Parents of boys in both the above categories are not obliged to pay for Epic.

If any parent wishes to have their son excused from Epic or part of the Epic for any other reason, permission must be obtained from the Deputy Principal.
