

Bishops Prep and Pre-Prep Hair Policy

Updated May 2022

- All hair types and styles must be kept above the eyebrows, ears and collars so that it is always combed, neat and tidy.
- Hair should be tapered so that the difference between the length of the top and sides is not excessive. Short dreads and short afros are allowed.
- Step cuts, cut patterns or lines, extensions, dyes, highlights, or extreme skin fades are not permitted.
- All staff remain the primary custodians of the hair regulations, ensuring that boys meet the school's expectations. Non-compliant boys should be asked to cut their hair and report to their Housemasters or Assistants, who will oversee the corrective action.
- A boy with a non-conforming hairstyle will have a maximum of FIVE days to cut his hair.
- All parents are asked to support the school hair policy and ensure that their son's hair meets the requirements of the policy.
