

Swimming Pool use by Staff

All staff members may use the swimming pools on both campuses.

Only their immediate family may accompany them.

Noise is to be kept to a minimum especially where staff housing is very close to the pool.

Swimming pools may not be used after 20h30 in term time and 21 h30 during the school holidays.

Braai's and extra guests will only be allowed under special circumstances and with the permission of the Deputy Head in consultation with the van der Bijl Housemaster at the Prep School.

The staff member is responsible for the facility and personal safety during his/her time at the pool.

The facility is to be locked after use unless the keys are handed over to another member of staff.
